THE DISTRICT CHIEF EXECUTIVE  
ASUTIFI SOUTH DISTRICT ASSEMBLY  
HWIDIEM

PETITION LETTER

This is to inform the Management of the District Assembly about the misbehaviors of Hon. Clement Kusi an Assembly Member of the Asutifi South District Assembly.

Hon Clement Kusi assaulted me and forcefully took over the management of one of the Hwidiem toilet facility from me claiming he is the Assemblyman of that area and has the right to manage the public toilet in the electoral area.

However, all efforts to explain to him that I legally acquired the management of the toilet facility from the Assembly and even showed him the legal document to that effect proved futile.

In order not to re-act unreasonably to the behavior and misconducts being exhibited towards me by the Assembly Member, I wish to petition your esteemed office to prevail on him to hand over the management of the public toilet to me.

Thank you

YOURS SINCERELY,

  
KOFI DANKWAH  
(CARETAKER OF TOILET FACILITY)
