THE DISTRICT CHIEF EXECUTIVE
ASUTIFI SOUTH DISTRICT ASSEMBLY
HWIDIEM

PETITION LETTER

I write this petition to the District Assembly about the misconduct of Miss Doris Asamoah a tenant of my house and staff of the District Assembly.

Doris Asamoah rented a chamber and hall apartment and made payment for two years in advance to me which I accepted. In fact we have been staying in the said apartment for some time now.

However, she refused to pay for the water bill she has consumed for some time now, and effort to get her to pay has become unsuccessful. In order not to take the law into my own hands about her misbehavior and misconducts being exhibited towards me, I wish to petition the District Assembly office to pursue her to pay the outstanding water bills and also let her vacate the building to prevent any possible police action against her.

Thank you

Yours sincerely
